

AVSPNI Summer Day

## Lobsters and Beer

Wednesday 15th June, 3.00pm

A visit to SeascopE - NI Lobster hatchery and Marine Biology centre and a tour of Whitewater Brewing Company followed by a short clinical presentation and dinner at Mourne Seafood, Dundrum

**SeascopE** -Northern Ireland's first ever Lobster and Marine Hatchery. The Research Centre is a marine research, education and visitor centre based in Kilkeel, County Down, Northern Ireland.

It is a unique establishment and the only one of its kind in Northern Ireland. There is lots to see with access to the hatchery. Sarah Campbell will tell you first-hand what they do and how they do it. You will be able to see all the baby lobsters and find out how they raise them.

Pre Dinner presentation by  
Aurelie Moralis from Zoetis

**Critical success factors for timed AI in  
beef cows and heifers- using the correct  
breeding protocols**

**zoetis**

This event is generously sponsored by

**zoetis**

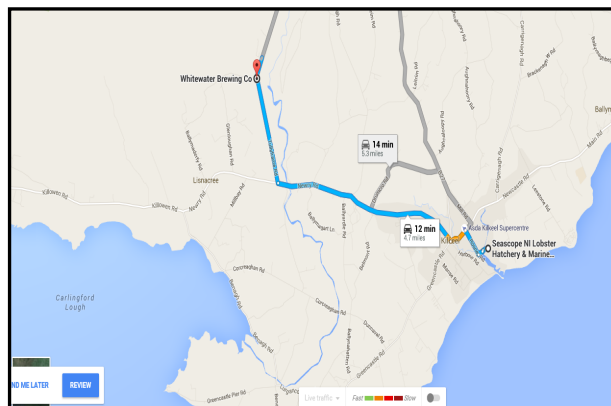

Come along and find out about the award winning craft beers that **Whitewater Brewery** produce. You might even get to try some for yourself!

Established 1996 on the third generation family farm amidst the spectacular Mourne Mountain range in the north of Ireland, Whitewater Brewery still retains the passion and desire to brew beers with fantastic flavours.

## Running Order

- 3.00pm** - Everyone Arrive and register at Seascope, Kilkeel  
**3.15pm** - Tour and talk at Seascope with Sarah Campbell  
**3.45pm** - Tea/Coffee Break
