Paul Crawford Veterinary Services

would like to invite you to

A **FREE** evening meeting of food & CPD\*

The programme will include a range of salads, a choice of main courses; dessert, tea & coffee. Of course there will be some chocolate too!

Sarah Campbell MVB MRCVS who is the Companion Animal Vet Advisor for MSD Animal Health will be giving an overview of the benefits of Bravecto and its use in Pet Health Plans. She will give attendees a run through Chameleon which is an online ordering system used to send out vaccine reminders, order vaccine cards and has many practice benefits.

Paul Crawford will also give a short talk on gaseous anaesthesia

Booking is essential to ensure that we have sufficient food and chairs to go around!
