

CATTLE LAMENESS TALK

DATE: Tuesday 21st February 2017

TIME: 13.00-15.00

**LOCATION: Andrew & William McCollum, Ballycairn Farm,
204 Ballycairn Road, Coleraine, BT51 3NJ**

Five 20 minute stops:

1. Roger Blowey - latest developments in digital dermatitis
2. Andrew Mc Collum - preventing lameness through, feeding, nutrition and breeding
3. Keri Mc Gervin - anti-slip slats and concrete footbaths
4. James Trotman - Coping with volatility in dairy farming
5. Tommy Armstrong - footbathing to control digital dermatitis, demonstrating a Provita semi-automated footbathing system

This event will have limited spaces. Anyone interested in taking farmers to this event should invite key farmers who are using or are interested in using Hoofsure Endurance.
