AVSPNI Small Animal Evening Meeting in partnership with

Urinary Tract Surgery

Surgical management of urinary tract disorders is frequently indicated in veterinary practice, with surgery of the urinary bladder possibly the most commonly required. A thorough evaluation of the patient, including diagnostic investigations, and appropriate stabilisation are essential before proceeding with surgery. This evening lectures will cover the principles and preoperative management relating to surgery of the urinary tract concentrating on the techniques used in the lower urinary tract.

When: 1st June 2017

Where: VSSCo, Lisburn

Time: 7.15pm with a delicious supper

Lecture by Liz Welsh begins at 8pm

Liz graduated from Glasgow in 1989. After a PhD in pharmacology and a year in small animal practice she moved to the University of Edinburgh where she completed a Senior Clinical Training Scholarship in small animal soft tissue surgery. Until 2007 she was a Senior Lecturer in soft tissue surgery at the Royal (Dick) Vet School. She now offers a soft tissue referral service at the new Vets Now Hospital in Glasgow.

Current AVSPNI members —FREE of CHARGE, subject to attendance. A member who fails to attend, send a substitute or cancel by noon on the day of the meeting will be liable for a £15 charge.

Registration fee for non-members who are not also registered for the Suture Workshops - £30 including supper, **payable beforehand** and only refundable in full if cancellation is notified by 12 noon on Tuesday 30th. 50% refund can be claimed if cancellation happens after Tuesday 30th but by noon on the day of the meeting.

Booking ESSENTIAL! To reserve your place:

- E-mail info@vetni.co.uk stating names and practice of all those planning to attend and whether or not you will be there in time for supper.
