

2.5 CVE credits

Interpreting dental x-rays and difficult extractions

presentation by Richard Kelly

Richard Kelly MVB MRCVS

Richard qualified from UCD, Dublin in 1981 and after working in Ireland, UK and Canada he purchased Rathgael Veterinary Clinic in Bangor in 1989. As well as general small animal practice, he has developed a keen interest in dentistry over the years and has attended numerous courses in the USA and Europe. He receives referrals from all over Ireland mainly for endodontics (root canal therapy), orthodontics and mandibular and maxillary surgery.
