Diabetic ketoacidosis & emergency management of hypoadrenocorticism

with

Robert Shiel

Robert qualified from UCD in 1999. After 4 years in small animal practice in the United Kingdom, he returned to UCD to undertake a residency in small animal medicine and obtained the Diploma of the European College of Veterinary Internal Medicine - Companion Animals (Internal Medicine) in 2007. He completed a PhD at UCD in the area of canine thyroid function, and the effects of non-thyroidal illness in 2011. After 4 years working as a lecturer at Murdoch University, Western Australia, Robert returned to UCD as Lecturer in Small Animal Medicine in 2014. Research interests include small animal endocrinology, neurology and genomics.

Registration

Current AVSPNI members

FREE of CHARGE, subject to attendance.

A member who fails to attend, send a substitute or cancel by noon on the day of the meeting will be liable for a £20 charge .

Non-members

£40 + VAT including 2 course supper and tea / coffee, payable beforehand and only refundable in full if cancellation is notified by 12 noon on Tuesday 4th February.

50% refund can be claimed if cancellation happens after Tues 4th February but before noon on the day of the meeting.

To reserve your place E-mail info@vetni.co.uk stating names and practice of all those planning to attend and whether or not they will be there in time for supper. Places are strictly limited.
