## Rules:

### Open to all NI vets, vet nurses, vet team members and their immediate families

A photo or video clip is sufficient for most classes. No need to submit your actual artwork or cake!

Entries must be submitted to [info@vetni.co.uk](mailto:info@vetni.co.uk) by **midnight on 21st June** including the name of the entrant and the class number being entered.

By entering, you agree that your photo/clip/story can be uploaded and shared by NIVA, YVN NI and VetNI on their website and social media and that if you are a winner, you are happy to be identified by name on-line.

Please include the age of the entrant for Class 2 - no need to disclose age or other personal details for any of the other classes though!

Please include the recipe for Class 4—we may want to repeat (or avoid) baking your cake(s) ourselves ☺

As well as the inevitable glory and the lifelong admiration of your peers, there are prizes and a coveted NIVA special edition rosette for winners in each category.

**Let's celebrate the humour and creativity within our profession - mostly, let's have a bit of FUN!**
