

## **NIVIS Autumn Outing – Golfing at Malone Golf Club.**

**All vet practitioners and DAERA employees are welcome. See more info for details.**

The North of Ireland Veterinary Industry Society (NIVIS) was created to foster strong relationships between members of the veterinary profession and industry. Our aim is to provide opportunities for everyone to meet socially, in a non- work environment.

This Autumn, we have arranged an outing to Malone Golf Club [www.malonegolfclub.co.uk](http://www.malonegolfclub.co.uk) on **Thursday 17<sup>th</sup> September 2026**. Everyone is welcome.

We are particularly keen to encourage young vets and ladies to attend. This will be a relaxed and enjoyable day catering for a wide range of golfing abilities. New players and experienced golfers alike are welcome, and fourballs will be matched appropriately.

- **First tee-off:** 12:30pm
- **Evening:** Dinner and prize giving in the clubhouse afterwards.

The day is supported and subsidised through generous sponsorship. We are grateful to our sponsors:

AVSPNI, Boehringer, Ceva, Dechra, Duggans, Elanco, Idexx, Norbrook, Vssco and Zoetis.

This promises to be an exciting day.

### **Save the date!**
