

An AVSPNI CPD Event

Sponsored by

Virbac

Thursday 3rd September @ 8pm

VSSCo,
Lisburn

"What's new in hyperthyroidism" – don't make them hypo!

Supported by

Supper from 7.15pm

SA Evening Meeting

- 🐾 Refresh your understanding of feline hyperthyroidism and the treatment options
- 🐾 Understand why treating without over suppression of the thyroid is important
- 🐾 Consider and effectively manage comorbidities in senior hyperthyroid patients

Rebecca Littler Perry

MA VetMB PhD DSAM MRCVS

Rebecca is a Cambridge graduate. She received her PhD from the RVC in Canine Mucosal Immunity, subsequently undertaking residency training. She is an RCVS recognised specialist in Internal Medicine. She founded and developed a private internal medicine referral service in the NW of England.

Rebecca is currently a Senior Lecturer in Internal Medicine at the new Veterinary School at The University of Lancashire but maintains specialist clinical practice two days weekly.

AVSPNI members	FREE
Nurses - AVSPNI Practice	FREE
Non-members	£40
